

HOME ESCAPE ROUTE - LOWER STORY

On this page, draw the best escape route to evacuate the lower level of your home. With a **red** marker, draw the **primary escape path** and circle the safest meeting place just outside of your home (whether that's the front yard or across the street). With a **yellow** marker, draw the **secondary escape path**. With a **blue** marker, mark where all the windows are located.

HOME ESCAPE ROUTE - UPPER STORY

On this page, draw the best escape route to evacuate the upper level of your home. With a **red** marker, draw the **primary escape path** and circle the safest meeting place just outside of your home (whether that's the front yard or across the street). With a **yellow** marker, draw the **secondary escape path**. With a **blue** marker, mark where all the windows are located.
